Chief,

I wanted to send a thank you note to you and your staff for their participation as part of Engine Strike Team XED 4075C to the Keene Complex in Kern County 12-14 September 2011.

Your Engine Company 238 was staffed by Captain George Selig, Engineer Jack Daniels and Firefighter Jason Felcher.

The multiple fires in the Keene Complex were being mitigated as we arrived at the Tehachapi Base and our operational assignment at the incident was limited to standing by for reassignment. As you know incidents that are "winding down" can be disappointing to crews that are ready to meet the challenge.

Your personnel on this assignment were helpful, courteous and maintained high professional standards as a part of the team.

Please pass on my thanks to your troops and thank them for their efforts on this assignment.

I look forward to working with you and members of the Pioneer Fire District in the future and if there is anything that we at County Fire can do for Pioneer please don't hesitate to ask.

Respectfully,

Kurt A. Taylor, Battalion Chief
