RE: 2009-10 Goals and Objectives!

1. Continue to be fiscally responsible, and transparent to our local taxpayers.
2. Continue to provide a high level of fire/rescue/EMS service to our six communities.
3. Retain our workforce and provide them a healthy and safe work environment.
4. Continue to seek alternative funding sources such as local, state and federal grants, a local benefit assessment, or special fire tax if permissible by local taxpayers and jurisdiction.
5. Evaluate response data available, and reduce response overlap/redundancy during fire ground/rescue operations.
6. Work towards a future responsible "Countywide Minimum Standard of Response Plan" for all El Dorado County Local Government Fire Agencies, while continuing to provide a very high level of fire/rescue/EMS service to all residents.

Respectfully,

Robert L. Gill, Fire Chief/CEO
